Hi Folks,

The end of another successful academic year, with many things to give thanks for and to build on during the new academic year.

It is our hope that we will repeat all the lessons from this year and to see growth into new areas with new lesson topics.

We have had discussions already with some Heads of RE and hope to see the others in the first couple of weeks in September.

We will need to encourage and support some new groups, for those youngsters who wish to explore more about the Christian faith following the Higher Cams Weeks.

We are looking to recruit volunteers to help us in a variety of roles for the 6th Oct Gig at Ely Cathedral. PLEASE contact us here at the office, if you would like to volunteer to help; during the day with set up, at the event, with the clear up or with all of them?! My Grandson Caleb is being Christened on Sun 19th Aug. *Thank You for your valued Prayer and support!!! Much Luv Jerry & Co xxxxxxxx*

Hi Everyone,

I hope you're all enjoying the sun.

I cannot believe we've come to the end of an academic year! In September, I've been working for Youth For Christ for 5 years. Just shows how quick time goes.

I'm Looking forward to Soul Survivor this summer. We always have a great time. Of course it is the penultimate one so I guess we need to make the most of it.

You'll be pleased to know that we got up and down Ben Nevis safely and looking ahead to Snowdon now in September.

Jess and I will also be going to America on holiday to see some friends in September which I'm really looking forward to!

Thanks you again for your continued support.....George

Hey everyone - We all all made it up and back down Ben Nevis, 2 down 1 to go! It was a totally different experience to Scafell Pike and personally although it took longer I found that it was easier than the first climb. Thank you to everyone who has supported us so far.

How is it possible we have reached the summer holidays? What a brilliant year it has been, the transition stuff we have been doing with year 6 went really well. We did two sessions with St Mary and St Christopher's using the "It's your move" material, please pray we are able to make connections with these young people when they move up to MCA in September.

I am looking forward to the summer, we are going to Wales as a team for our end of year refection's which will be lovely.

On a slightly sadder note, after working with Newmarket Youth for Christ for the last 7 years, I will be leaving the team in October. It has been an honour and a privilege to serve God here and I have learnt many invaluable things. I will miss the team lots but it feels very much like "see you later" rather than goodbye as I will continue to have lots to do with the team through my church youth work. I am excited to see what God has in store next both for me personally and the Youth for Christ team. Love Lizzie x
