Prayer Diary February 2019

Praise God for -

The Higher Cambs Celebration attended by over 350 people, giving thanks for all that the

Lord has done through this mission, relevantly taking the goodnews to every young person in Newmarket & District and beyond our borders!!!

We give thanks for all God's financial support through 2018 and although we ended the year with a deficit of just over thousand pounds, it was one fifth of what we had anticipated! Our pledged monthly giving now makes up 70% of our income which is amazing!

We give thanks for all Lizzie's hard work for us over the years she worked for us! And we praise God for His provision of Amanda and Hannah to take up the 'baton' from Lizzie!!!

The heartfelt and persistent prayer of a righteous man (believer) can accomplish much [when put into action and made effective by God - it is dynamic and can have tremendous power].

James 5:16 Amplified

Please Pray for -

The lessons that we have booked in this month for Ely College (Jesus Super Hero. And The Beatitudes) and Newmarket Academy (Jesus Super Hero, Symbolism and Why do bad things happen to good people?)

Wisdom, as we look at a possible Higher Cambs 2020, or something very similar.

Pray that God continues providing all our financial needs during 2019 as he did in 2018.

We have had a great last month. We had a great time at Staff Conference in Manchester, which I always think is a great way to start the year. The theme was 'Core' and we were looking at the core values of Youth For Christ across the week. It was also good to spend time together as a new team and to get to know each other more.

Please pray for Haddenham Xchange. We're in an exciting term ahead with a great group of young people. We're starting to take 15 minutes of their time to talk to them about the Christian faith and they have responded to it really well. It's a bit of a transition period so please pray God helps us with this and to be wise as well.

Thanks for your continued support and prayers

Hi Folks, I trust that you had a great Christmas and New Year?!! I had a fantastic time with the family who were around, although this year was the first time that I haven't seen all my children and grandchildren over the festive season. It reminded me that life changes and we have new 'normals' to get used to. Youth for Christ Staff Conference was fantastic again this year. Simon Ponsenby gave three great Bible Studies, the worship was awesome and the encouragement to

Pray more was challenging. We are now, for us, three days into the SpringTerm, with lessons being booked in and meetings planned to explore more ways and opportunities to communicate Faith relevantly in our schools. Sadly my youngsters Nan passed away on Boxing day, someone I have known for 41 years. It was a privilege to lead and speak at her funeral on 14th Jan. Please pray for the family in the coming weeks as they come to terms with the loss of someone who has always been there! I pray that you ALL feel and know God's hand leading through 2019. Thank you for all your support!!!

Much Luv Jerry & Co xxxxx

Hello all!

I hope everyone has had a fantastic start to the New Year so far! In the beginning of January, we went to Staff Conference up in Manchester; it was the best way to kick-off 2019, in my opinion. From the main seminars to the smaller sessions, there was a phenomenal environment of encouragement and love.

I also celebrated my 22nd birthday! I didn't do anything too fancy, just came in to work and went to dinner with my family in the evening. I don't feel as though I'm older, but I'm sure it'll hit me in the next couple years that I'm "technically" a full-blown adult (who, me?).

I'm now assisting in running a youth café called Fuse, that focuses on providing a safe, fun place for kids to come to on the third Friday of every month! For January-March we're at All Saints in Newmarket and April-June, we'll be in Burwell Baptist Church.

Thank you for all the support you provide and the prayers you've said for our team, we appreciate them greatly!

Later Skaterz, Amanada

At the time of writing, we have just returned from staff conference in Manchester. We had an amazing 4 days of Bible teaching, worship, seminars and fellowship. During times like this, I am often reminded and impacted again by the depths of God's love, the joy of

salvation, my 'adoption into sonship' and the wonder being a part of God's family. This week was no exception; what a immense privilege it is to work in this role with so many who are passionate about Jesus and seeing young people's lives changed by Him. I have come away feeling inspired and am excited to continue meeting and building relationships with the young people in our area, so thank you all so much for your support which enables to do that.
