Hi Everyone!

By the time you get this Prayer Diary, We'll either be in the middle of Alive or have just finished. Please do pray for the Young people who have attended. March has been a busy month for us with lots of different lessons which Jerry talks about in

his section. I did a few lessons in Newmarket with year 7 & 8 and had lots of good discussions. I came away from the lessons really encouraged and see it as a massive privilege. I hope you have a fantastic Easter with family and whatever you get up to! Thanks again for all your support!
George :-)

Hi Folks, I trust that you are all enjoying the days getting longer and the excitement as we look forward to celebrating Gods rescue plan for us all?! I have enjoyed the last few weeks with our two sets of lessons the Beatitudes in Ely exploring How what Jesus spoke about 2000 years ago, is as relevant now as it was then and how we as Christians live it out in every day life. 'Forgive and forget', 'turn fights into friendships', 'fists into high fives', 'know that we are a mess and God is the only one who can help

us..... When I was telling my story regarding forgiveness one youngster said, 'is that true?' Please pray that as the youngsters live life the Holy Spirit will remind them of what we have said! Also in Newmarket 'Why Do bad things happen to good people? I have been humbled at how honest some youngsters have been at the things that have happened in their short lives. Please pray that when they experience hard times in the future the Lord will remind them of all we said about God being the closest in times of sorrow and that they will reach out to Him and as we have shared find Him there for them! I am excited as we explore the possibility of a Higher Mission in 2020 please pray that we will hear 'Gods voice' about our involvement again?!! Thank You to all those who have prayed for my wife Sara, she is now into her 2nd cycle of Chemo therapy and at present has suffered no side effects due to the 'anti side effect' drugs she has had! Please continue to pray as her treatment, 'save a miracle' will continue until Sept/Oct time! We still 'know' Gods peace and presence with us and believe that while we don't know what the future holds, He most assuredly does! Much Luv Jerry & Co xxxxx

Jerry

Hey there!

As always, thank you so much for praying for our team and the young people we encounter daily! This last month has been full of preparation for our Alive weekend, along with the Easter holidays and the assemblies planned for the next couple of weeks. I'm so looking forward to having a nice Easter with my family!

If you've prayed for me and my studies, I've certainly felt them! I've managed to get on top of my classes and bring my grades up quite a bit in the last month, so thank you!!

Please pray for my family as we've got my grandma flying in at the end of the month to stay with us until late June, with my aunt joining in May! We love, love, LOVE having visitors, but always feel as though we don't have enough time with them.

Later Skaterz!

Amanda

Happy Easter!

I love this time of year... Spring is here and all the signs of new life remind me how thankful I am that God loved me and chose to make me a new creation through Jesus Christ.

The Living Bible says: 'This is what he wanted to do, and it gave him great pleasure' - that just amazes me! Please pray we would have more and more opportunities to communicate these great truths relevantly to all the young people we see. Thank you for all your support and continued prayers: last month we had over 40 young people at our SVC Club and I'm really pleased to say that Dalene Musora has volunteered to come and help George and I out on a Tuesday lunchtime. What a great answer to prayer. Have a wonderful April, everyone!
