Hi everyone,
I can't quite believe how quickly the year is going. To think we're halfway through the year is crazy. God's continues to be good to us with the opportunities we have in the school. At the start of May. We did an assembly on Resilience in Newmarket which Amanda wrote and then we also had an assembly on 'What's been in the news the last month' in Mildenhall.

Please continue to pray for our lunch group in Soham. We are still seeing good numbers of young people even though the weather has improved which is Encouraging.

Please also pray that we have some more young people book in to Soul Survivor, We've had a few say they're interested, we just need to get them booked in. I'm off to America at the end of June with a few friends for Michael Boisvert's wedding which I'm really looking forward to. Michael is good friend and used to be help with computers in the office, he was also on the exec at one point. Thank you again for all your support....George

Hi Folks, It was great seeing many of you at our AGM last month, it was good to catch up with you all! I can not believe that we are now into month 6 of 2019, where does the time go! We are looking forward to the lessons we have booked this month which is encouraging. Moral Choices Yr8 , CreationYr7 and How Christian Belief Affects Behaviour Yr9?

Jerry

We are also planning a meeting this month with 'core' people who helped deliver Higher 2018 looking at how we can continue the same kind of Mission in the future, please pray for this significant meeting, date still to be agreed at the time of writing this.

We are looking forward to taking a group of youngsters to the last Soul Survivor on 17th - 22nd August at the Peterborough show ground, God always does awesome things at this event!!!

THANK YOU and please continue to Pray for Sara's Chemo we now only have 3 'Mop Up' Chemo session left one day every three weeks. Sara had an MRI scan this week, which shows no tumour left when compared with the scan in Feb. We thank all the staff and Dr's at hospital who have been amazing and great THANKS to God for all He has done for us both!! Sara still has Day Surgery in Aug and 15 sessions of Radio Therapy to complete the treatment! Much Luv Jerry, Sara & Co xxxxxx

Hi everyone!

May has been such a wonderful month and it's only getting better! My grandma flew in from California at the beginning of the month and it's been so nice having her here, and my classes for the semester ended a little over a week ago! My aunt comes in the second week of June, my younger brother graduates from high school, and then we take a week holiday in France! Our May Fuse Cafe was a total hit! We played Human Cluedo set about 10 years in the future and, with the limited time we had, the kids were racing around trying to capture all the clues. Praise God for the 20 kids that showed up! June's Fuse Cafe is the last one for the school year and will have a barbecue at Burwell Baptist, as well as games down

at the Recreation Centre in Burwell (fingers crossed the weather stays as lovely as it's been)!

Thank you so much for your continued prayer over us as a team and as a centre, we feel them washing over us daily!

Later Skaterz!

Amanda

I love June! Long days, short nights, the excitement and anticipation of school holidays and summer festivals stretching out ahead. June is also the month of my eldest daughter, Ophelia's birthday and this year she is turning 21! 'Time flies' is the biggest cliché ever but it is the bittersweet truth! I am so proud of her and so blessed by the changing dynamic of our relationship as she becomes an adult.

It was great meet lots of you and to put faces to names at the AGM last month, thank you for coming and thank you for your continued prayers and support, it has been a great half term. We have been really encouraged by increasing numbers at Haddenham X-Change and the Soham Village College lunch club. Please pray that many of these young people are able to join us at Soul Survivor in August. There they will really have the opportunity to meet with God and over 5 days we we will have time to really get to know them better.

1 John 3:1 See what great love the Father has lavished on us, that we should be called children of God! And that is what we are!

Can you help?

We are looking for a volunteer to help us with some computer admin work.
