Hi everyone,

I hope you had a great Easter with friends and family. We've just had the Easter holidays so we've been quite in the office. I actually had the first week of April off with Jess so I worked over the holidays. The first week of May, we have an assembly in Mildenhall on 'What has been in the

news this last month?'. It's definitely a topic we haven't done before so I enjoy the challenge and to find a Christian relevance to the theme of the assembly. We had an amazing time at Alive with 25 young people looking at the theme of the perfect masterpiece. What a privilege and joy it is to tell 25 young people how God sees them as his perfect Masterpiece. One young person gave their heart to Jesus which was AWESOME, please pray for them as they begin growing in faith and the challenges amongst friends can bring up! Please pray for us as we head into the next term. **Thanks so much George**

Jerry

Hi Folks, Well here we are entering the Summer term, and looking forward to all that God has planned for us!!! I trust that you all had a very Blessed Easter? One thing that stuck in my mind was a comment from UCB "Jesus death wasn't an act of assassination, but Atonement. What the world thought was a disaster was God's planned rescue for the whole Human Race!!! THANK YOU Lord! Jesus gave

His life as a Ransom for many. (Mark 10v45). Most assemblies are already booked in, I have lessons topics from Newmarket to book in and plans to see other RE heads on my first week back. Please pray that all these are productive and that our work continues to grow! I am really pleased with how Amanda and Hannah have settled into our team and are growing in their roles with us, God is good and always brings the 'right' people along to fill the place of those He is moving on. THANK You for praying for Sara, her 'lump' has decreased by over 50%(PTL) we are now 7 weeks into 21 weeks of Chemo Therapy. Please continue to Pray, Chemo day is Tuesdays weekly until May 21st, then we change to one day every 3 weeks. Much Luv Jerry & Co xxxxxx

Hello everyone!!

I hope everyone has had a great Easter Holiday? My family and I had visitors from the Netherlands for Easter Day, so that was a lot of fun! Please continue to pray for my family as my younger brother has just signed a contract with the U.S. Army! He'll be leaving in August to go to training back in the States, so prayer for peace and guidance for him as he steps out into the world would make a difference, I'm sure. A big answer to prayer has been regarding the drop-in that we run at St. P&E on a Wednesday afternoon. Since we changed the day of the drop-in, we've had a steady attendance of 5 (which is a lot in

comparison to the 1 or 2 we had at the beginning of the year)! We couldn't do what we do without your faithful prayer and support, so thank you!

Later Skaterz!

Amanda

I can hardly believe we are in May already! I work during term-times only so due to the Easter holidays April was a quiet month for me at YFC. That means I haven't got lots to share with you but ALIVE at the end of March was amazing. The young people all seemed to have a great time... the team and volunteers did too! It was lovely to be able to spend more time with the young people we see at groups etc and also to meet those who attend things on the days I don't work.

At the end of this month I will be going to Sizewell with KCM for their weekend away. I will take my 2 youngest girls with me and help with KCM's youth sessions. I am really looking forward to it, and we are all excited to be at Sizewell Hall during lighter/warmer months as we have only ever been in December.

It is a real privilege to work for YFC. We couldn't do it without you, so thank you for your support and continued prayers.

2 Corinthians 13:14 - May the grace of the Lord Jesus Christ, the love of God, and the fellowship of the Holy Spirit be with you all.
