Hi everyone,
 Thank you all once again for your continued prayer support, we really do appreciate it!
 We have been busy in Soham Village College taking lessons on Creation with year 7's and with Yr9 looking at how our belief's shape our attitudes & behaviours.
 Both these lessons have brought up very interesting questions and opportunities to share how unique and amazing the Universe Earth and ultimately we as humans are! Also giving a clear message and understanding of what it means to know and follow 'Gods way' in our lives in 2019.
 Please pray for our up and coming trip to Soul Survivor. We have a good group forming and it's looking like we are going to take away a good number of young people.
 I've just finished my first year on my leadership & theology course. I've really enjoyed the first year and am excited about starting year two in September.
 I hope you have a fantastic July as we head into the Summer holidays.

Hi Folks, When the sun shines it's fantastic and I think, surely we are not already half way through 2019?! As you know last October we were part of Higher Cams 2018, in the East Hub we saw 3,500 young people in 6 schools, held a 'Gig' at Ely Cathedral where 575 young people attended of which 250+ responded, receiving information of 'FollowUp'. In Nov-Jan, we discussed the possibility of being part of Higher Cams 2020? After much discussion and lots of Prayer we have decided that

we are not taking part in Higher Cams 2020. We Pray that God will Greatly Bless the 3 organisations that are running with this initiative in 2020! We however believe that we in the East should still achieve the same goals, in a different time scale. Rather than see 6 schools for a day over a week with a Gig etc. We are Going to work in one school for 3-4 days, have a 'Gig' and Follow Up Groups. We believe that this will achieve our goals (1. See as many youngsters as possible 2. Hold a 'Gig' with a clear gospel message of Hope 3. Run follow up groups) serve our rural area in a more affective way. I hope that your Church will hear more about this from your leaders and youth workers in the coming months. It is a challenging, but also very exciting! Thank you to those praying for Sara, as I write this she only has one Chemo session left on 9th July! Please pray for her 'fatigue' this as they told us increases over the sessions and there is nothing they can do about this, however God can!

Much Luv Jerry, Sara & Co xxxxxx

Hi everyone!

Wow! This summer has been wonderful so far!

Last month, my brothers, parents, grandma, aunt, and I spent a week in France exploring the Normandy trail in remembrance of D-Day. The weather was fantastic and seeing the history that is held in those places really helps you to appreciate the sacrifices people made and makes you thankful that nothing of that scale has happened again. At the end of this month, I'll be heading to Portugal for a few weeks to spend time with some close family friends and I'm well excited!

We had our last Fuse Café for the summer on the 21st with a barbecue and wide

games down at the Rec in Burwell. I was on my trip that week, but I hear it went splendidly! Praise God for the steady handful of young people that have been coming every month!

Later Skaterz!

Amanda

July brings the end of my first academic year with Youth for Christ and it has been a great 8 months! There has been a lot to learn (there still is!) but I have loved getting to know all the young people and being involved in all the great work that Youth for Christ do. Of course none of that would be possible without the faithfulness of your prayers and generosity of your financial support. So once again, thank you all so much for the sacrifices you make in order to enable us to do what we do, it really is a privilege to partner with you in seeing young people's lives changed by Jesus.

Please pray for the young people who will be going to Soul Survivor next month. It will be a fantastic opportunity for them to hear relevant teachings, take the first steps towards or grow in faith. And on a personal note, please could I ask you to pray for my daughter Tallulah. She is going to Soham Village College in September which will be a big transition for her. Mostly she is feeling excited there are often times of understandable worries.

Psalms 133: 'How good and pleasant it is when God's people live together in unity! It is like precious oil poured on the head, running down on the beard, running down on Aaron's beard, down on the collar of his robe. It is as if the dew of Hermon were falling on Mount Zion. For there the Lord bestows his blessing, even life forevermore.'
