All the lessons and assemblies that we have booked in between now and Christmas.

Joe our new 'YrOut' worker who has settled into the team and work really well.

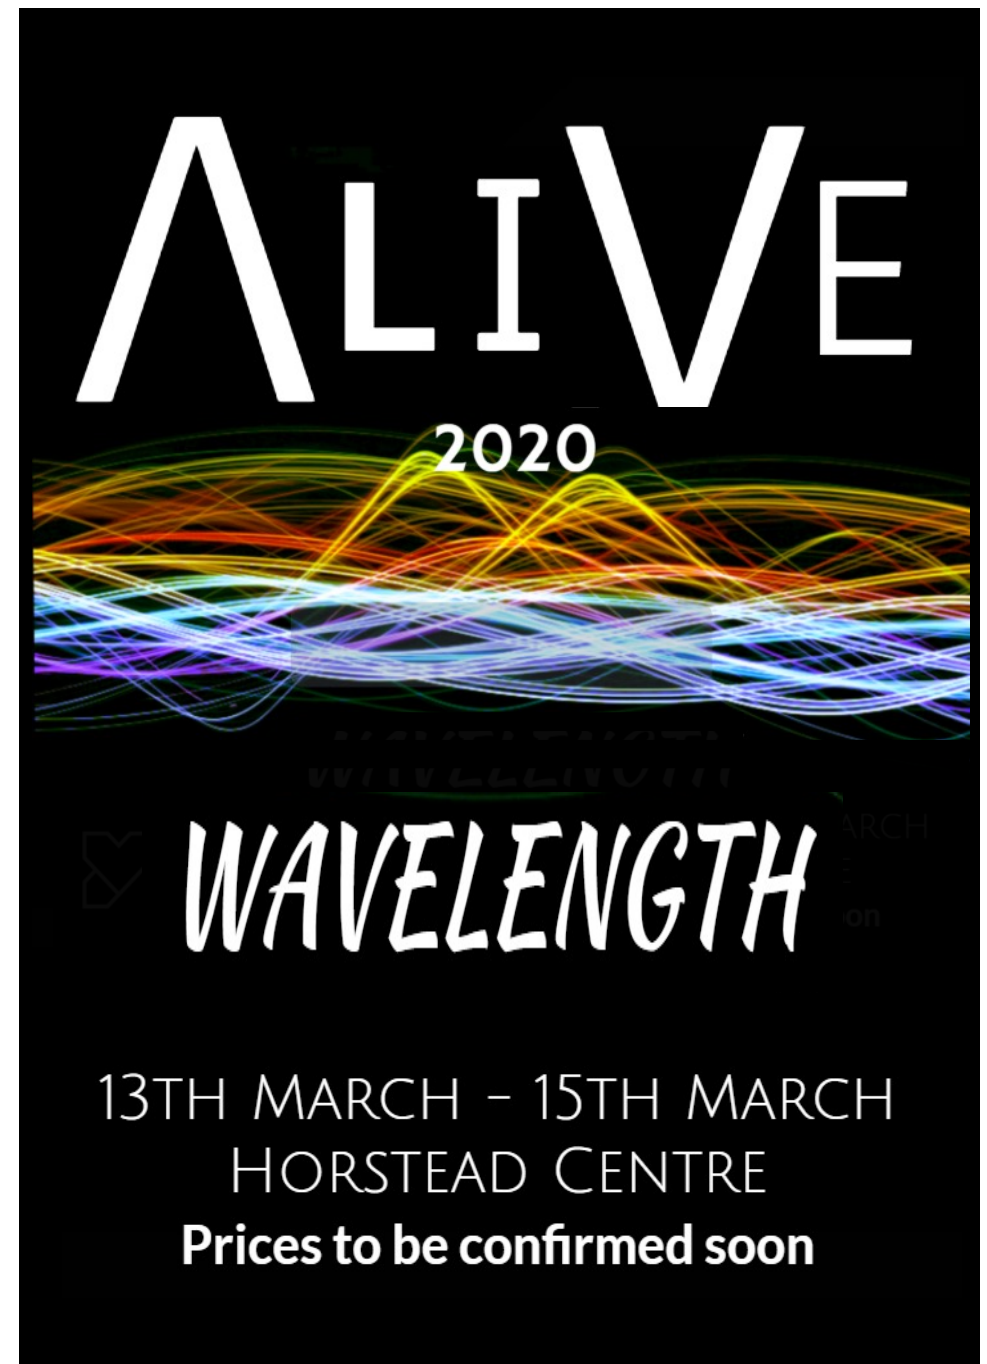

Pray for:

The youngsters that attend our school lunch groups at Ely, Mildenhall and Soham. Also the Youth led CU at Newmarket and Naomi who leads this.

Joe our new 'YrOut' worker, who needs to raise some more funding for his year with us.

'The Pulse' 2020, (see Jerry's Chat) the schools week that will be in Newmarket Academy from 24th to 27th February 2020. Using a Youth for Christ band called 'The Sense' in assemblies and lessons that week. That all the planning, preparation and fund raising by our Church partners and us will go well!

Hey Everybody, I've had a great first month working with Youth for Christ, finally got in the routine of things such as going to lunch and after school clubs such as Chaplaincy and Freezone. A big part of my September was that I commissioned for service in YFC along with my other year outs which was so encouraging for me and my fellow year outs. Its been really good to get to know the kids that come to our

clubs and events, I hope to get to know them more, Thank you for your prayers and support, one final note if you wish to donate to me for my year out or receive my newsletter please email newmarketYFC so I can give you more info, thank you very much,

Every Blessing *Joe*

Hi Folks, Only 8 weeks to Christmas what a scary thought that is?!

I have just had confirmation of 20 lessons at SVC, Yr7 looking at 'Miracles today?' and Yr9 Moral Choices. The Yr9 set could start from 25th Nov but I haven't had time to book them in for this Prayer Diary in time. Thank you for praying as the Yr10

lesson at MCA went incredibly well and we are looking to book more lessons in this school in the near future. Some exciting news for you to

pray about, following on from Higher 2018 we are now planning a Yearly schools week each year, the name of these weeks will be called 'The Pulse'. I can confirm that 'The Pulse' 2020 will be happening at Newmarket Academy from Mon 24th to Thurs 27th Feb, seeing the whole school in assemblies and lessons over the 4 days, with a 'Gig' on the Thurs evening and some Follow Up groups arranged weekly for 6 weeks. The band that we will be visiting us for 'The Pulse' 2020 are from National Youth for Christ and called The Sense (<https://yfc.co.uk/thesense/>). I will explain more in the Dec PD but please pray as we have lots of planning and fundraising to do!!! **THANK YOU** for praying for Sara since Feb, all her breast cancer treatment is now complete PTL!!! She has had a complete 'Pathological' response, in my terms that means completely 'cancer Clear'. We thank God for all He through prayer and the medical teams with their expertise have done over the last 9 months!!!!

Much Luv to you all Jerry, Sara & Co xxxxxx

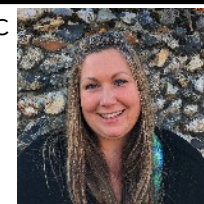

Happy November everyone! This is one of my favorite months of the year! The changing leaves, the cool crisp air, spiced apple cider, and being able to bundle up on the couch with my family makes up the best bits of the year for me. This year has been really tough on me academically, as I've had an intense math class I've been taking, but it's really helping stretch and grow me. Please continue to pray for my family as my parents fly back to the states to see my younger brother graduate from

Army Basic Training. Please also pray for the team as we head into our busy season!

Later Skaterz! *Amanda*

Hello everyone! Well, the first half term of the academic year passed in a hurry didn't and so has my first year with Youth for Christ! I still feel overjoyed and blessed that I am doing this as my job - wow! I mentioned the lunch club at Soham Village College in last month's Prayer Diary and I'm happy to say the hot chocolate seem very popular. We see at least 30 young people at the SVC drop every week and one rainy afternoon in October we counted 55! 's We would love to start introducing some group work at this club - please pray for wisdom and inspiration as we make plans for the way to do that. We have lots of assemblies and lessons booked in this month which is great - please pray they all go well. God bless you all and thank you for your continued support.

Ephesians 2:10 - For we are his workmanship, created in Christ Jesus, for good works, that we should walk in them

Hi everyone, thank you as always for your prayers and support. We've been busy as team with lots of different bits including Harvest assemblies in Mildenhall and Newmarket Academy. We used the theme of growing well and look at how we grow to our potential in life with giftings we have and looking at the importance of what

we surround ourselves in with good friendships and healthy habits in order to grow well. Please pray for Haddenham, We are continuing our work there alongside the church to run this group. Since September, we have had some new kids which is always exciting to get to know them and to build more relationships.

Thanks again....George

SPOTLIGHT ON A SCHOOL

This month our school is
Ely College

Each month we would like to highlight the prayer for one school in our area.
If you would like to partner with us in this, please keep these specific issues in your prayers.

- Pray for a smooth start to the new half term.
- Please pray for year 11 parents evening, on 12th November, where Chaplains will be serving cups of tea and coffee.
- Pray for the Chaplaincy that more young people would attend and that we would have the opportunity for meaningful conversations..
- Please pray there would be opportunity for increased input into the RE programme.

*Not a Youth for Christ event but
one we wholehearted support.*
